CELLERS SANT RAFEL

Solpost Rosat

Solpost Rosat is an explosion of fresh, ripe fruit. From the start it surprises us as a lively, mouth-watering wine, fully expressing the intense Garnatxa Negra (Red Grenache) varietal aromas.

Apellation: DO Montsant

Winemaker: Xavi Peñas and Pilar Just.

Grape varieties: 100% Red Grenache.

Alcohol: 14% vol.

Vinification: After just 8 hours of cold skin contact, the must is then bled off using the Saignée method. At this point of optimum colour, it is fermented for 16 days at 16ºC.

Ageing:

Production: 1.215 bottles.

Tasting notes: Solpost Rosat's fresh strawberry colour attracts our attention. Its vivacity lingers in both the nose and on the palate, revealing an intensely fruity wine which is also ripe and refreshing. A wine to be enjoyed as soon as it is released.
