

Solpost Garnatxa - 2017

Since we started making this range, we have wanted Solpost wines to respond faithfully to the vineyard, the territory and the natural environment that surrounds us. Solpost is the maximum expression of our grape varieties. It means freshness and balance. But it is also respect, honesty and gratitude for this land we live on. This monovarietal wine is the result of selecting a red Garnacha that represents the confluence of a calcareous soil, a microclimate influenced by sea breezes that we call “garbinada”, an altitude of 320 meters and of our way of understanding winemaking. Light macerations that help us find the maximum expression of our vineyard, resulting in an edacious and deep wine, but at the same time fresh and elegant.
